Attention Ohio Voter:

Under Ohio law, a voter who has requested an absentee ballot must cast a provisional ballot on Election Day if that voter appears in person to vote at the polling location on Election Day.

If you received this application, or any other absentee ballot application, completed, and submitted it to your board of elections, you will not be eligible to cast a regular ballot at the polls today. Instead, you may cast a provisional ballot.

Your provisional ballot may be counted after the 10th day following the election pending a determination by your board of elections that your voted absentee ballot was not returned and counted prior to the closing of the polls.

If you have any questions, please contact your county board of elections at:

Dear Ohio Voter:

In the Buckeye State, we make it **EASY TO VOTE** and **HARD TO CHEAT**.

You have many options to cast your ballot in the upcoming November 6, 2018, General Election.

VOTE FROM HOME To request an absentee ballot simply complete the attached application and return it to your county board of elections as far in advance of the election as possible. This will ensure there is sufficient time for the board to mail you a ballot and for you to timely return your voted ballot. Remember, you must fill in all the required fields and provide the proper identification.

VOTE EARLY IN PERSON During the absentee voting period, you may visit your county board of elections or designated early vote center to vote in person. Visit www.MyOhioVote.com or contact your county board of elections for your early voting location and hours.

VOTE ON ELECTION DAY Your polling place will be open on Tuesday, November 6, 2018 from 6:30 a.m. to 7:30 p.m. Do not forget to bring proper identification. To find your assigned polling place, go to www.MyOhioVote.com.

No matter which option you choose, I encourage you to visit www.MyOhioVote.com for all the information you need to vote in Ohio this November.

Sincerely,

Jon Husted
