Voters will continue to cast their votes on paper ballots and feed the ballots into a scanner at their polling locations. The technology used to create the ballot and tabulate votes will be the most up-to-date technology available in the United States. Voters who require assistance will find a new and improved disabled access option, so they may cast their ballots independently.

Polls will be open 6:30am - 7:30pm. Please go to our website or call 513-632-7000 to find your polling location.
