OHIO SECRETARY OF STATE SENDS UPDATE POSTCARDS TO VOTERS

Ohio Secretary of State Husted's office will be mailing voter registration postcards to Ohio voters beginning today July 2nd through July 10th; based on a review of addresses with the U.S. Postal Service and the Ohio Bureau of Motor Vehicles (BMV).

The postcards will be sent to:

- Voters that may have moved within the state and may need to update their registration; or
- Individuals who are eligible to be registered (via a cross check with Ohio BMVs) & have not registered; or
- Voters who may have moved to another state.

The Hamilton County Board of Elections urges county residents to look for the cards and follow the information provided to make sure that they are registered to vote in the upcoming fall election on November 6, 2018. (Samples are attached.) "If you moved since you last voted, there are easy ways to update your record before the next election," said Sherry Poland, Director. The SOS postcards contain information on how to register or update online. In Hamilton County, voters can find forms at local libraries, call the board to get them in the mail, or download online from our website:
