Since 2006 Hamilton County has used Hart InterCivic eScan, JBC/eSlate voting equipment and vote counting software. The system will be retired after the November 2018 election.

After reviewing voting equipment options for Ohio - BOE staff invite all voters in Hamilton County to have a voice in the selection.

Come and vote on one new system on January 18 and the other on January 25. Complete a quick evaluation each time and enjoy a cup of hot chocolate and cookies.
