Hamilton County Board of Elections Partners in Democracy

As you may know, we both currently serve on the Hamilton County Board of Elections. The Hamilton County Board of Elections has worked well for decades because of the bipartisan nature of our organization. We hope to continue that success with your help in this crucial election year.

To that end, we are writing today to ask for your office's participation in a program called "Partners in Democracy." We are asking you to help us find qualified persons within your organization to work inside the polls on Election Day; contributing their skills to a Day for Democracy. We believe that members of the regular workforce that do not ordinarily participate on Election Day can add a benefit to the democratic process.

As the leaders of the two major political parties in Hamilton County, we have come together to help promote this Day for Democracy program. We both recognize that promoting and supporting our democratic process through fair, properly administered elections is more important than any one political party or cause. Elections that run smoothly are for the common good of all our citizens.

We have enclosed materials outlining the project with forms that can be used by your employees. We hope we can count on your participation.

Sincerely,

Alex M. Triantafilou, Member
Hamilton County Board of Elections

Hamilton County Board of Elections partners with local organizations and businesses to recruit Precinct Election Officials.

We would like to thank you for your leadership in Community Service. We hope you will consider becoming one of our **Partners in Democracy**.

Precinct Election Officials (PEOs) Needed

The Hamilton County Board of Elections (BOE) is looking to build partnerships with local public and private entities to assist in providing a skilled workforce at each polling location in Hamilton County on election day.

As the election process becomes more technologically advanced, it is critical that poll workers be able to understand and apply these new technologies. Private and public sector employees are an exceptional source of trained, adaptable, and tech-savvy workers to meet this ongoing need. PEOs are compensated for training and election day work—and county employees are eligible for both their agency's daily compensation as well as the Board of Election's pay, and without having to take a vacation day or LWOP.

WHAT we are asking your organization . . .

To be a Partner in Democracy with the BOE by making information available to your employees about signing up to be a Hamilton County PEO. This can be accomplished in many ways and we would like to meet with you to see how we can Partner Up.

WHO can be a PEO
