

Western & Southern  
Financial Group  
is urging their  
employees to be  
poll workers  
this fall

*Edward Babbitt VP & Senior Counsel for Western & Southern Financial Group* *Bill Schemmel Senior Counsel for W&SFG and Hamilton Co poll worker*

Western & Southern Financial Group participates in our **Partners In Democracy** program. W & S gives employees a paid day to serve as poll workers.

We need more than 2,500 poll workers for the November 3rd Presidential Election. Your business or organization can provide a means for us to reach out to voters throughout Hamilton County who want to serve our community by being a poll worker on election day.

*"I do wish that other companies would stand-up and join" Ed Babbitt, W & S*

*"I studied political science in college and I went to law school and I still learned an awful lot that day" Bill Schemmel as a Hamilton Co poll worker*

*"I was very proud to be a part of the program and to represent the company out in the community" Hamilton County poll worker employed by W & S*

Find out how to be one of our  
**Partners in Democracy. It's a win-win!**
