**To Vote: completely**

**left of your choice.**  
**Please use a black or**  
**blue ink pen only.**

Correct

Incorrect

- Note the permitted number of choices directly below the title of each candidate office. Do not mark the ballot for more choices than allowed.
- If you mark the ballot for more choices than permitted, that contest or question will not be counted.
- To vote for a write-in candidate: completely darken the box to the left of the blank line and write in the candidate's name. Only votes cast for candidates who filed as write-in candidates can be counted.
- Do not write-in a candidate's name if that person's name is already printed on the ballot for that same contest.
- If you make a mistake or want to change your vote: return your ballot to an election official and get a new ballot. You may ask for a new ballot up to two times.
