Hamilton County Board of Elections: Partners in Democracy

Dear Administrator,

We are writing to request your assistance in recruiting your employees to serve as poll workers through Hamilton County Board of Election's "Partners in Democracy" Program! The Hamilton County Board of Elections is looking to expand upon our partnerships with local public and private offices to assist in providing a skilled workforce at each polling location in Hamilton County on Election Day.

As the election process becomes more technologically sophisticated, it is critical that Poll Workers be able to understand and apply new technologies. Your employees are an exceptional source of trained, adaptable, and tech-savvy workers, and we believe they will make excellent poll workers.

What does it take to be a "Partner in Democracy"? We are asking you to make available the information enclosed with this letter to your employees and to inform them of the ways they can sign up to be a Hamilton County Poll Worker, as well as to provide incentives if your organization so chooses.

Participants in the program would work as Precinct Election Officials (PEOs). A PEO is a trained election worker whose duties include setting up polling locations and processing voters. PEOs are compensated for training, set up, and Election Day work—and Hamilton County employees may be eligible for both their agency's daily compensation as well as the Board of Election's pay, and without having to take a vacation day or LWOP. **Some county departments offer an additional personal day as well!**

We have enclosed materials outlining the project with forms that can be used by your employees. We hope we can count on your participation. Please contact the Board of Elections with any questions.

Sincerely,
