Hamilton County, OH – The Hamilton County Board of Elections (BOE) is announcing important changes to some polling locations and congressional districts for the May Primary Election. Some voters in Hamilton County will notice updated polling locations and/or a new congressional district for the upcoming May 5th, 2026, Primary Election. The BOE encourages all voters to verify their polling location and review their sample ballot to ensure they are prepared for the 2026 election cycle.

“Hamilton County voters will soon be receiving a Postcard Notice (sample attached) from the Board, by mail, which will show their current polling location and voting districts along with important deadlines and voting information for the May 5th Primary Election,” said Sherry Poland, Director.

“The Board of Elections encourages all voters to act now to ensure they are ready for the 2026 Primary Election in May.
